Why businesses choose Caxton

Dedicated account manager

Every client gets a named expert who understands your business. Providing expert guidance when it matters most.

Zero transaction fees - ever

We never charge to send money - so you save more with every payment. No sneaky costs. No minimums. Just better value.

FX risk protection

From forward contracts to rate alerts, we help you lock in rates and protect your margins from currency swings.

Go global with confidence

Pay suppliers, freelancers or teams in 30+ currencies. Our FCA-regulated platform supports same-day transfers and bulk payments worldwide.

Market monitoring by in-house analysts

Stay ahead of currency shifts with real-time insights from our expert team - not generic updates from a dashboard.

“Caxton has transformed how we handle international payments — and having someone to call who actually knows us makes all the difference.

— Lorne Blyth, Founder, Flavours Holidays

Don't just move money. **Move it smarter.** With Caxton.
